Day trip

Exploring an eco-responsible territory

Schedule

10:00

Guided tour of the Cité de la Chaussure

(Duration: 1hr30)

+

12:00

Lunch

(Duration: 2hrs)

+

14:30

Guided tour and tasting at the Ferme Intégrale

(Duration: 1hr30)

End of the tour at 4 pm

Cité de la Chaussure

During your visit to the Cité de la Chaussure, you will immerse yourself in the heart of a place that symbolises local industrial renewal. You will discover how brands and artisans combine their expertise to create sustainable shoes that are manufactured locally and are environmentally friendly.

Lunch

Enjoy traditional dishes featuring local produce in a restaurant in Romans.

Starter + Main + Dessert
Wine + Coffee

Ferme intégrale

At La Ferme Intégrale, discover an innovative farm based on aquaponics, where fish and plants coexist in a virtuous ecosystem. Explore how this method combines tradition and innovation to address climate challenges while producing locally and sustainably.

Conditions

1 day / Minimum 20 pax /
Subject to availability at time of booking
